## Des Moines Register Names Sioux Center Health A Winner Of The Iowa Top Workplaces 2024 Award

Sioux Center, Iowa, August 12, 2024 - Sioux Center Health has been awarded a Top Workplaces 2024 honor by Iowa Top Workplaces. This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Sioux Center Health’s Top Workplace recognition is an honor the organization has received multiple times, including in 2019, 2022, and 2024.

Cory Nelson, CEO stated, “This recognition speaks volumes about the positive culture, teamwork, and shared commitment we’ve built together at

Sioux Center Health. It reflects the pride our team members take in their work, the respect they show to one another, and the belief in the direction we’re headed as an organization. Every single one of our team members makes Sioux Center Health a truly special place to work. Their hard work, collaboration, and open communication are the driving forces behind this achievement. It’s an honor to be part of such a passionate and talented team truly dedicated to bringing hope, health, and healing to life.”
