## Leadership Sioux Center Announces Participants

Leadership Sioux Center is pleased to announce those accepted to participate in the Leadership Sioux Center program for 2022-2023. Leadership Sioux Center is an educational program intended for Sioux Center area citizens who have an interest in their community, their leaders and institutions, their decision-making processes and specific leadership opportunities available in Sioux Center.

Nearly 160 individuals have graduated from the program since it began in 2014. "The application process remains very competitive, and we were excited to again receive a high number of quality applicants. The LSC Advisory Team strives to choose a diverse group of participants who will each bring their own unique perspective, skill sets and personal experience to the program," states Chamber CEO, Barb Den Herder.

Leadership Sioux Center will use the community as its classroom with the first session being held at The Ridge Golf Club. This session will focus on Sioux Center Land Development, joint-use, how growth and development occur in the Sioux Center community, and an introduction to personal leadership development. Class members will also take part in several team building and networking activities throughout the eight-month program.

“We believe in the importance of identifying the future leaders of our community, and this program connects those future leaders and allows them to exchange ideas with the current and past leaders who have committed to making Sioux Center a great place to live,” added Cory Gotto with Peoples Bank.

Sioux Center has a track record of working together and thinking big picture to provide opportunities for those who live and work here. Leadership Sioux Center helps both new and seasoned leaders understand the hard work and vision our past leaders have displayed.
